Accessing Accelerated Reader from home (Year 8 & Year 9)

The link at the bottom of this message will give pupils access to the Blackwater Integrated College Accelerated Reader platform from home. The linked webpage allows pupils to complete their reading QUIZZES at home. Your child will be familiar with the program and has used it throughout the year at school.

From October 2019, all year 8 and 9 pupils have been enrolled onto the Accelerated Reader programme. Pupils read their chosen ZPD reading book for 20 minutes every day and the Media Suite is available daily for completion of quizzes.

Currently, when a pupil completes their book, they log on to a school computer and sit a short 5-minute QUIZ. This QUIZ is multiple choice and will give immediate feedback to your child. The process then repeats itself: a new book is chosen and a QUIZ taken once it has been read.

Students can access Accelerated Reader at home via this link.
