October 2017

Update to Barcelona trip October 2017

In the light of recent events in Barcelona, we have scheduled an alternative visit. If there is any unrest in and around the city centre and Las Ramblas we will omit that part of our itinerary and spend extra time in Park Guell and have purchased tickets for the museum.

Students received their luggage labels today and the weight allowance is 20kg. You can follow us using the link below, which will be active from Monday morning and will show you our location at all times.
