October 2018

Celebration of Achievement

As you may be aware, at this time of year in Blackwater we organise an event to recognise the previous year's successes in examinations and the wider life of the College and this year our Celebration of Achievement is being held on Tuesday 23rd October.

Due to limited space in the Hall, students in Year 8 will not be required to attend on this date and only the prize-winners in Year 9 should attend.

Students in Years 10, 11 and 12 are expected to attend the college on this date for the full school day and the event will end in time for students to travel home by their usual transport.

We appreciate your cooperation in this matter.

Pamela Gilmore (Ms)
Vice Principal
