10LSC have started a new topic on Churches in Religious Education. To explore the different types of church buildings there are situated in Downpatrick, on Monday 24<sup>th</sup> September we will be walking down and through the town locating and describing the different church buildings we see. We then plan to visit the Down Cathedral, with a short walk through the inside of the building.

We will be leaving college at 9:30am and returning by approximately 10.30 am.

Please sign the slip below and return by **Tuesday 18<sup>th</sup> September**.
