Extended Schools Programme

On Thursday 12 October from 3.10-4.10pm we are launching a series of taster sessions of Gaelic sports. These **are open to all students**, will run for the rest of this term and will be taken by a local coach.

There is no cost for participating in these sessions: students will just need to bring their PE uniform and arrange to be collected from the College at 4.10pm.

I would encourage students to take this opportunity to learn some new skills and improve their fitness in a fun context.

Please complete the reply slip below and return to me by Thursday 12 October.
