March 2018

Year 10 Geography Field Trip

As part of our theme of globalisation and trade we are taking our students on an organised tour of the Coca Cola Visitors Experience in Lisburn. The first date was cancelled and the rearranged date for the fieldwork is 14 March 2018.

The purpose of the visit is to gain a better understanding of a large company that works in many different countries in the world distributing a mass market product. The pupils will be required to complete a worksheet for use in class. They should bring pens and a snack for break.

Students are required to wear full College uniform or the College tracksuit. They must be ready to leave College at 9.30 am. We will be going to Bow Street Mall for lunch and to conduct a retail survey for use in class. Students will return to school at 3.00pm.

Students must behave in a responsible manner. They need to be aware of health and safety and are expected to act as ambassadors for the College. Please discuss this with them.

Students may wish to bring money to purchase lunch. Alternatively, students can bring a packed lunch. Those who are entitled to free school meals can order sandwiches from the canteen to be collected at 9.00am before we leave school.

There is a waiting list for this trip. Any student with unacceptable behaviour in school may forfeit their place on this exciting trip.
