### **GCSE Geography Field Trip**

As part of the GCSE Geography controlled assessment our students will be carrying out some fieldwork. **Attendance at Fieldwork is essential on Tuesday 26 June. The cost of the booking is £15 for each pupil, which has been covered by the school. We will be leaving school at 8.45 and returning before the end of the school day.**

**Attendance is compulsory on this day in order to give them an example of a physical geography topic for their final paper.**

The area studied will be the River Shimna. They will be working in small groups collecting data from the source to the mouth of the river. We will be working with Tollymore Education staff and are under their care.

They should bring pens, a bag, a folder, paper, and snacks, drinks and lunch. Students are required to wear the school tracksuit and coats, if it is raining and to bring a change of clothes. The full Tollymore list is included with this letter.

Students must bring their lunch, as there will not be shops nearby.

Please complete the permission slip below and return to me by Monday 25 June 2018.
