Integrated Education Month (IEM) Launch Event – Friday 3rd March 2017

As an Integrated School we will be helping to celebrate Integrated Education Month (IEM) and this will be formally launched on Friday 3rd March at Stormont Estate, Belfast.

What is it: A Walk – a walk of celebration and participation to the seat of devolved power (Stormont) where decisions about the future and development of Integrated Education are decided.

Why: To celebrate the achievements of Integrated Education thus far, to draw attention to its enormously positive potential and to provide opportunity for as many people as possible to say, 'We're in', we support Integrated Education.

Where: From the front gates of Stormont Estate up the 1 mile long Prince of Wales Avenue to the steps at the front of the main building – as large a group as we can possibly assemble from every Integrated school and college and any/all supporters, simply demonstrating support for IE and celebrating the launch of IEM. At the steps in front of the main building, a brief (30 min) launch event with music, dance and celebration.

When: Friday 3rd March 2017. A large group will assemble at the front gates from 10:45am and will begin the walk up the 1 mile Prince of Wales Avenue at 11:15am.

Who: We would like your child as a representative of Blackwater Integrated College to attend this event with your permission. They will be supervised at all times by members of Blackwater staff.
