January 2018

LSC Drop In

At Blackwater Integrated College we place great importance on home school partnership. On Tuesday 30 January 2018 you are invited to come to the college to meet with other parents and members of the Learning Support Team between 2pm and 3pm.

The Cedar Foundation will be present and will do a short presentation on helping your child with transitions. Tea and coffee and other refreshments will be provided and there will be time for discussion and to mix with other parents. Mrs Morrison will soon be going on maternity leave and it will also be a chance to meet her replacement, Miss Hillman.

We look forward to meeting you. If you wish to confirm your attendance please email me at: amccammon807@c2kni.net

Thanking you for your continued support.
