March 2018

Options Day

Friday 16th March 2018 will be Options Day for all Year 10 students. As a result, Year 10 students and their parents / guardians will attend at set times as per information sent home. Only Year 10 students are required to attend the College on this day as staff will be meeting students and parents /guardians all day.

We have also made provision for Year 12 to attend on this day for supervised study in the Library. With GCSE examinations beginning very soon, every day is very important to get work completed and to revise for upcoming examinations. Access to computers and resources will be available for any Year 12 students who feel they would benefit from this. We would encourage all students to avail of this and to ensure their revision programme is well underway.
