CIRCULAR 2016 TL003

To: Parents/Guardians of all enrolled students

September 2016

Physical Education Provision.

To allow for the provision of Physical Education throughout the College it is envisaged that students will spend some of their PE time at various local leisure facilities. These will include but are not limited to:

- Downpatrick Cricket Club
- Downpatrick Hockey Club
- Down High playing fields
- Downpatrick Leisure Centre

Travel to these facilities will be via the College minibus or on foot.

When making use of these facilities students will be interacting with members of the public. Behaviour is therefore expected to be of the highest standard and students are expected to behave accordingly. Any students not meeting these standards will not be permitted to further use of these facilities. Students will be supervised by staff at all times.

At Key Stage 4 students will follow a range of activities throughout the year which may include fitness suite, squash, football, netball, badminton etc. When these activities take place off site at the leisure centre a cost may be necessary. Additional information will be provided, as required for sporting activities not part of the curriculum timetable.

If you have any queries please do not hesitate to contact me.
