Cc: Bursar

September 2017

Key Stage 4 Occupational Studies

Your child is working to achieve their qualification in Occupational Studies. This course emphasises learning by doing, which helps learners to develop the transferable skills needed in a changing and dynamic working environment.

In order to satisfy the requirement for wearing the correct Personal Protective Equipment (PPE) we have purchased chef tunics, aprons and hats. The total cost of the PPE is **£12.00**. Pupils will be responsible for laundering their own PPE and will be required to bring them to school as PPE must be worn by pupils when undertaking practical work.

Should you have any concerns or queries regarding this matter please do not hesitate to contact me at the College.

Helen McBrearty
Occupational Studies Tutor

Pupil name: _____ School: _____

Enclosed please find payment of £12.00.

Cheques should be made payable to Blackwater Integrated College.
