### **Planning for Key Stage 4 and Parent Consultations**

As the end of Key Stage 3 approaches, we are keen to meet with you to discuss progress to date and plan for the next phase of your child's education.

I want to give you notice of a forthcoming event so you can make arrangements to attend. On Thursday 16<sup>th</sup> March only Year 10 students will be required to come to Blackwater and we have set aside this day to meet with you and your child.

Parents of students in 10 ES are invited to attend between 10am and 12 noon; parents of students in 10 JB will be involved between 1.00pm and 3.00pm.

Students are expected to accompany their parents.

There are important decisions to be made at this point and you will soon be provided with an information booklet which will outline potential pathways for all students. On 16<sup>th</sup> March there will be time to have the traditional parent teacher consultation as well as a meeting with a member of the senior staff team. We believe that combining these two meetings on one day will be beneficial and also require only one visit to the college instead of the two that happened in previous years.

I hope that you will plan to attend on 16<sup>th</sup> March so that we can continue to work together to find the best pathway which will allow your child to succeed at Key Stage 4.

Pamela Gilmore (Ms)  
Vice Principal
