Study Skills in Blackwater

You may already have attended a Study Skills event in Blackwater during the past two years as we have rolled out our programme of student support.

On Thursday 9th March we are pleased to offer another event, facilitated by an external trainer who is also an experienced teacher. The running time is 7pm to 9pm.

This highly entertaining workshop will give parents the essential strategies and approaches they need to effectively support, encourage and motivate their child during examinations.

I am confident that you will enjoy Paul Gray's lively and engaging style as he helps you to address the challenges and opportunities of this stage of your child's career.

It is never too early to find out about these things so if your child is in Key Stage 3 you are also invited to join us on Thursday evening.

Please indicate below if you plan to attend and return the reply slip to your child's Form Tutor.
