December 2018

Year 12 Parent Teacher Consultations

Year 12 students are entering the final stages of their education in Blackwater Integrated College.

It is now important for teachers and parents/guardians to meet to discuss issues which may have an impact on progress and to consider how we can best support our students both at home and in college as they work towards their final examinations.

To this end, a parent consultation afternoon has been organised for **Friday 4th January from 1.00pm – 2.30pm**

It is important that students attend this consultation afternoon along with their parents/guardians to meet with individual subject teachers.

As I am sure you appreciate some subjects such as English and Mathematics will have large numbers of appointments so their interview times will be limited. If however you need additional time we will make alternative arrangements for you to speak with the required teacher.

Once again many thanks for your continued support.

Colin Jones
Pastoral Coordinator
