CIRCULAR 2017/18 TL013

To: Parents/Guardians
CC: Bursar

September 2017

During the course of this year Youth Workers from Youth Initiatives will be in school to assist students deal with any pastoral issues that arise. They will work mainly from a designated room where they will organise extra-curricular activities at break and lunch for both KS3 and KS4 students.

Part of their role will be to provide a lunch time drop in facility to allow students to call in with them to discuss any issues or concerns they might have.

They will also be working with some class groups delivering programs on topics including:

- Positive Mental Health
- Anxiety
- Peer Pressure
- Online Safety
- Self Esteem
- Relationships

Students will also have the facility to make appointments to see one of the Youth Workers on a one to one basis through Mrs Love, Mrs Millington or myself if they have an issue they wish to discuss.

If you do not agree to the facility being made available for your child to speak with a Youth Worker on a one to one basis, please contact the school to inform us of this.
