December 2016

Year 12 Parent Teacher Consultations

Year 12 students have been undertaking mock examinations and are entering the final stages of their education in Blackwater Integrated College.

It is now important for teachers and parents to meet to discuss issues which may have an impact on progress and to consider how we can best support our students both at home and in college as they work towards their final examinations.

To this end, a parent consultation afternoon has been organised for **Thursday 5th January from 3.30pm – 5.30pm**

During this consultation parents and students will have the opportunity to meet with individual subject teachers.

Students will be given a form in registration prior to the consultation afternoon to arrange appointments with subject teachers.

Once again many thanks for your continued support.

Colin Jones
Pastoral Coordinator
