### **Orchardville**

Blackwater IC are fortunate to have linked up for the 2018/19 Academic year with a group called Orchardville who are going to work with our Year 12VP class next year for 3 Periods each Friday.

Orchardville are a group who work with young people to get them ready for the future world of employment through learning life skills such as money management and employability skills, including work experience. More information is available on their website <https://www.orchardville.com/>

We would invite you in to meet representatives from Orchardville on Thursday 7<sup>th</sup> June at 2.30pm. Students will also attend the meeting and any questions or queries can be answered at this time. Your child is currently completing their application form for this project which will be taken home soon for signing.

We hope you are able to join us at this meeting.
