Key Stage 3 Home Economics

As you are aware the pupils in years 8, 9 and 10 are studying Home Economics.

Practical lessons are essential to enhance the pupil's experience of Home Economics. To facilitate the purchase of ingredients for said lessons the College would request that each child pays £20 per academic year. All ingredients will then be purchased by the College (with the exception of those ingredients required for the practical assessment).

Payment may be made in two ways: -

1. Full payment in September
2. £10 in September 2021 and £10 in January 2022

Should you have any queries or concerns regarding this matter please do not hesitate to contact me at the College.
