### **Musical Instruments & Tuition**

As the new school year begins, I look forward to welcoming students to the Music Department.

However, there are a few things which I would like to bring to your attention.

- We use recorders to put into practice what we learn about reading music and what we understand about the language of Music. **All students must have a recorder for practical assessments.** Recorders can be purchased from the Music Department for **£4.00**. To order a recorder from the Music Department, please complete the details on the slip below and **return it with your child to me by Friday 10<sup>th</sup> September.**
- If you would like your child to have instrumental lessons, please complete the slip below, **indicating which instrument your child is interested in playing, and return it to me by Friday, 10<sup>th</sup> September.** At this stage, this request is simply about gauging the level of interest – please **do not send any money!**

Lessons will cost £13 for half an hour tuition, normally payable in advance – ie in 5 week blocks (£13 x 5 = £65). If necessary, lessons can be shared (ie £6.50 for 15 minutes). Students must commit to lessons for the full year.
