### Art Supplies

Your child has selected to do Art and Design as a GCSE subject choice, there are therefore some personal materials required in order to complete coursework and examination preparation over the next two years.

Art materials can be expensive when purchased locally from Art and Craft shops, however to minimise the expense the College can order Art supplies on your behalf at a reduced rate from educational suppliers.  
Materials required include:

I have put together two packs either of which will help in the completion of work required.
