Key Stage 4 studies

As the end of Key Stage 3 approaches, we are keen to discuss with you the plan for the next phase of your child's education.

You have already had a Transition Meeting with our SENCO and I would now like to update you on planning for Key Stage 4 studies.

After the half term break we will give out Options Booklets to add to the information already available on Google Classroom in the Year 10 Careers Pathway room

The subjects listed in the booklet are well suited to students who have had Learning Support Centre provision at Key Stage 3 and will enable your child to achieve a range of recognised qualifications to equip them for employment or further studies.

If you have any queries about the information on Google Classroom Year 10 Careers Pathway or in the Options Booklet, staff will be happy to address these on 16 March.

I hope that we can continue to work together to find the best pathway which will allow your child to succeed at Key Stage 4.
