March 2022

Year 11 Mock Examinations

Mock examinations for Year 11 students will take place from

Tuesday 29th March – Thursday 31st March 2022.

In order to replicate what will happen during GCSE examinations. Year 11 students will **only** be required to attend the College when they have examinations.

A number of the courses studied by students are portfolio based so there is no written examination and this has been reflected in the timetable.

Students must be in the College 15 minutes before the start of each examination and they are required to stay for the full length of the examination.

Students may **NOT** go home early if they have an examination in the morning and one again in the afternoon.

A timetable will be sent home with students today and will also be available on the College website www.blackwateric.org

Revision for internal examinations is very important to prepare students for GCSE examinations and this is an opportunity to practise examination timings and technique. All students are aware of the requirements for each subject and should be thoroughly prepared. Parental assistance with revision is always very useful and we appreciate your support in preparing the students for future success.

Please feel free to contact the College if you require any further information.
