

Building Inspiring Caring

To Parents/Guardians of Year 12 Students

May 2022

Year 12

As previously communicated, Year 12 Vocational Courses have now been completed. As such students are not required to attend these classes.

Those students studying the below subjects will be allowed to leave the College at the time indicated. Supervised study will also be available if required.

Occupational Studies – Students may leave at lunch on Monday & Thursday

Art/Contemporary Crafts– Students may leave at lunch on Tuesday and attend from break time on a Friday.

All students may leave at lunchtime on a Wednesday

Those students still studying for GCSE examinations will be taught up until the date of the examination. There may be further flexibility in their timetable following the completion of examinations.

It is vitally important students make the best use of their time remaining in the College, attending all examination classes. **Full uniform is still required** when attending the College or sitting examinations.

The following revision classes are still ongoing:

- English – Tuesday and Thursday afternoons
- Maths – Tuesday afternoon
- Geography – Google meet 7-8pm Tuesday evenings

As mentioned previously there will be no single finishing date for all students as they do different combinations of subjects. It is vitally important that you are aware of the dates and times of the examinations your child is taking. A copy of the examination timetable has been included with this letter.

Thank you for your support during your child's time at Blackwater Integrated College; I wish them every success for their upcoming examinations and the future.

Matthew Sunerton
Head of Senior School

Wed 11 th May	9.15am	1 hour	LLW Unit 1	Geography
