

Building Inspiring Caring

To Parents/Guardians of all Students

September 2022

Physical Education Provision.

To allow for the provision of Physical Education throughout the College it is envisaged that students will spend some of their PE time at various local leisure facilities. These will include but are not limited to:

- Downpatrick Cricket Club
- Downpatrick Hockey Club
- Downpatrick Leisure Centre
- Walks in local area
- Delamont Country Park

Travel to these facilities will be via the College minibus or on foot.

When making use of these facilities students will be interacting with members of the public. Behaviour is therefore, expected to be of the highest. Any students not meeting these standards will not be permitted to further use of these facilities. Students will be supervised by staff at all times.

Please indicate receipt of this letter by completing the below form. If for any reason you do not wish your child to participate in activities off site, please contact myself or Mrs Millington at the College.

Students have returned to changing within the College for Physical Education classes and should not be attending the College in PE kit. If students have PE class last period, they may go home in PE kit.

Students have adapted well to this change in routine and appropriate arrangements can be made for any students with additional needs.
