Social and Emotional Learning (SEL)

We are writing to inform you that your child will be attending Social and Emotional Learning (SEL) classes with Mrs Reynolds in response to the needs outlined in their statement of special educational needs.

These classes are designed to empower students with essential life skills that will aid them in understanding and managing their emotions, setting and achieving positive goals, establishing and achieving positive relationships and making responsible decisions.

Our primary aim in Blackwater is to support the development of our students, ensuring they are not only achieving academically but they are also emotionally resilient and socially adept.

Should you have any questions or require further information about the SEL Programme please do not hesitate to get in touch.
