The School and its location:

Thank you for your interest in Blackwater Integrated College. I hope the information contained in this brief outline will give you an up to date and accurate picture of our school. Blackwater Integrated College is situated on the outskirts of Downpatrick and the school's intake is drawn from both the town and the surrounding community.

As an Integrated College we are very proud of the fact that we accept students from the two main religions in Northern Ireland as well as other religions and none. Integration to us means respecting yourself and others, even when they have different beliefs from yours. We have high standards, asking that everyone works and learns to their full potential, helps those around them to do their best, and develops into thoughtful, caring members of their community.

We are very proud of the fact that we cater for the needs of all of our students. We have an excellent Learning Support Centre for students with a statement of special educational needs who also join mainstream classes for some lessons. We also provide vocational options at Key Stage 4 for students who are looking for a more practical pathway. With a restructuring of our curriculum at both Key Stages 3 and 4 we are now in a position to inspire success in all of our students in the coming years. Realistic targets are set for students at KS3 and KS4 to encourage them to meet or exceed their potential.

Our accelerated learning groups are aimed at students who are more academically able so they can be encouraged to progress with both stimulation and pace. The intention is to make sure that they are happy, that they feel stretched and that they fulfil their potential. Our current Year 8 accelerated group consists of many students who narrowly missed out on grammar school places and I am very confident that the environment we provide will allow those students to excel in their studies over the next five years.

The curriculum in Blackwater Integrated College is delivered by subject specialist teachers who regularly update their knowledge and skills through training and sharing of practice. Students have the opportunity to engage in active learning experiences and Google Chromebooks are used widely in all classes. Excellent pastoral systems support the students in their learning and guidance on how to study effectively is delivered in the Personal Development programme and supplemented by enjoyable practical workshops at appropriate times

The future for Integrated College and for students and staff at Blackwater Integrated College is very bright with a new College, Mid Down Integrated College, planned to start as soon as September 2027 with all staff and students moving across to the new College with Post 16 Provision in place. If you have any further queries please do not hesitate to refer to our website at www.blackwateric.org or social media channels for up to date news and information on College life.

Yours faithfully
Mr Stephen Taylor
Principal
