KS3 Summer Examinations – Year 10

Key Stage 3 Summer Examinations are scheduled to take place from Friday 5th June to Tuesday 9th June. Please refer to the attached examination timetable for your child's specific schedule.

Please note that many practical subjects complete their assessments during class time, and therefore these will not appear as written examinations on the timetable. Additionally, some examinations will be conducted via Google Classroom; it is therefore essential that your child brings their Chromebook, fully charged, on all examination days.

Each day will include dedicated time for students to revise quietly prior to their examinations. Students should bring appropriate revision materials with them. Teachers will be sharing revision lists with students, please take time to review these with your child and support them in completing structured revision in preparation for the examinations.

Year 10 students will be completing EXACT testing on Friday 5th June, so please ensure they bring their Chromebooks to school. EXACT testing is a short online assessment used by the school to help identify whether students may be eligible for exam access arrangements, such as extra time, rest breaks, or the use of a reader or scribe. It is not something students need to revise for.

Year 10 Summer Exams			
	Friday 5th June	Monday 8th June	Tuesday 9th June
