KS3 Summer Examinations – Year 8

Key Stage 3 Summer Examinations are scheduled to take place from Friday 5th June to Tuesday 9th June. Please refer to the attached examination timetable for your child's specific schedule.

Please note that many practical subjects complete their assessments during class time, and therefore these will not appear as written examinations on the timetable. Additionally, some examinations will be conducted via Google Classroom; it is therefore essential that your child brings their Chromebook, fully charged, on all examination days.

Each day will include dedicated time for students to revise quietly prior to their examinations. Students should bring appropriate revision materials with them. Teachers will be sharing revision lists with students, please take time to review these with your child and support them in completing structured revision in preparation for the examinations.

<b>Year 8 Summer Exams</b>
